Office of the [illegible].

The areas of (1) Kurla Municipal Borough (2) Ghatkopar-Mirol Municipal District and (3) [illegible] Taluka excluding Kurla Municipal Borough and Ghatkopar Mirol Municipal District have been referred to in the following four notifications :

(1) No. 1237/46, dated the 19th November 1948 issued under section 3(2) of the Act (page);

(2) No. 1237/46-I, dated the 19th November 1948 issued under section 9 of the Act (page);

(3) No. 1237/46-III, dated the 19th November 1948 issued under section 6(2) of the Act (page 5);

(4) No. 208/48, dated the 13th September 1948 issued under section 3(1) of the Act (page 27).

There is no objection to amending the description of the local areas as suggested by the Commissioner of Labour in his letter at pages 83-84 ante. The Commissioner of Labour however proposes amendments in Notification No. 1237/46, dated the 19th November 1948 only. As pointed out in para. 1 above, all the four notifications in which the same local areas are referred require to be amended in the similar manner. The amendments may be on the following lines in the case of the Notification No. 1237/46, dated the 19th November 1948.

2. "The limits of the Municipal Borough of Kurla as they stood immediately before it ceased to be a Borough under the Bombay Municipal (Extension of Limits) Act, 1950;

3. The limits of the Municipal Borough of

of Ghatkiper-Kirol as they stood immediately beforeit it ceased to be a Borough under the Bombay Municipal (Extension of Limits) Act, 1950;

4. Borough Salsette Taluka excluding the area within the limits of the Municipal Boroughs of Kurla and Ghatkopar-Kirol as they stood immediately before they ceased to be Boroughs under the Bombay Municipal (Extension of Limits) Act, 1950."

It appears from the Bombay Municipal (Extension of Limits) Act, 1950 that the Municipal District of Ghatkipar-Kirol was enjoying the status of a Borough at the time of its abolition. It is, however, described by the Commissioner of Labour as a municipal district which is not correct.
